

FinAI Comprehensive FAQ: 100 Q&A for RAG Training Data

FinAI Documentation

December 6, 2025

This document contains a comprehensive list of 100 Frequently Asked Questions (FAQs) about the FinAI financial management platform, categorized for easy retrieval. The content is formatted for use as training data for a Retrieval Augmented Generation (RAG) system.

Category 1: Platform Basics & Getting Started (Q1-Q20)

Q#	Question	Answer
Q1	What is FinAI?	FinAI is an AI-driven financial planning and management platform that helps users track spending, optimize budgets, manage investments, and achieve long-term financial goals.
Q2	How do I sign up for FinAI?	You can sign up via our website or mobile app by providing your email address and creating a secure password.
Q3	Is FinAI free to use?	FinAI offers a Basic Free Tier with core budgeting and tracking features. Premium features, such as AI-powered investment advice, require a subscription.
Q4	Which banks and financial institutions can I link?	We support linking to over 15,000 institutions across North America, including major banks, credit unions, and brokerage accounts.
Q5	How long does it take to sync my financial data?	Initial synchronization of all linked accounts typically takes between 2 and 10 minutes , depending on the number of transactions.
Q6	What is the monthly cost of the Premium subscription?	The FinAI Premium subscription is \$9.99 per month or \$99 per year (saving 17%).
Q7	Is FinAI a bank or brokerage?	No, FinAI is a software platform . We do not hold customer funds or execute trades directly. We connect you to your existing institutions.
Q8	What devices is the FinAI app available on?	The FinAI app is available for iOS (App Store) and Android (Google Play) , as well as a full-featured web application.

Q#	Question	Answer
Q9	How do I reset my password?	On the login screen, click "Forgot Password," and a password reset link will be sent to your registered email address.
Q10	Can I connect multiple currencies?	Yes, FinAI supports and tracks accounts in USD, CAD, EUR, and GBP , automatically converting and displaying a consolidated net worth.
Q11	Where is the tutorial for new users?	A complete guided tutorial can be accessed anytime from the Help Menu (the '?' icon in the top right corner).
Q12	How do I contact customer support?	Customer support is available via in-app chat (Premium) or by emailing support@finai.com (Basic).
Q13	What is "Net Worth" in the FinAI context?	Net Worth is calculated as the sum of all assets (accounts, investments, property) minus all liabilities (debts, loans, mortgages).
Q14	Does FinAI track cryptocurrency holdings?	Yes, FinAI can link to major crypto exchanges (e.g., Coinbase, Binance) to track your cryptocurrency and NFT values.
Q15	How often is my data refreshed?	Account data is automatically refreshed every 4 hours. Manual refreshes can be performed anytime via the Dashboard button.
Q16	What is the FinAI AI Engine called?	Our proprietary AI is called "Clarity Engine," specialized in predictive financial modeling and behavioral finance nudges.
Q17	Can I track cash transactions?	Yes, you can manually enter cash transactions via the "Add Manual Entry" function in the Transactions tab.
Q18	What is the minimum required operating system for the mobile app?	The mobile app requires iOS 15 or higher or Android 12 or higher for full functionality.
Q19	How do I link my retirement accounts (401k, IRA)?	You link retirement accounts the same way as bank accounts—by searching for the brokerage name and logging in securely.
Q20	Can I use FinAI for my small business?	FinAI is primarily designed for personal finance, but the Premium Tier offers basic categorization tools suitable for sole proprietorship tracking.

Category 2: Budgeting & Spending Analysis (Q21-Q40)

Q#	Question	Answer
Q21	How does FinAI categorize my transactions?	The Clarity Engine uses Machine Learning to instantly categorize transactions based on merchant name, location, and historical spending patterns.
Q22	How do I change a transaction's category?	Click on the transaction in the Transactions Tab and select a new category from the dropdown menu. The AI learns from this correction.
Q23	What is a "Zero-Based Budget"?	A Zero-Based Budget assigns every dollar of income to a category (spending, savings, or debt payoff) so that $\text{Income} - \text{Expenses} - \text{Savings} = \0 .
Q24	How does FinAI predict my future cash flow?	The AI analyzes the last 6 months of historical income and recurring expenses to create a 90-day cash flow projection on the Budget tab.
Q25	What is the "Spending Heatmap"?	The Spending Heatmap is a visual tool that shows which days of the week and times of day you spend the most, identifying behavioral patterns.
Q26	Can I create a shared budget with my partner?	Yes, the Household View feature allows you to link and combine budgets, goals, and accounts with a verified partner's FinAI account.
Q27	How do I set up a budget?	Navigate to the Budgeting Tab and choose a template (e.g., 50/30/20 Rule) or customize monthly limits for each spending category.
Q28	What is the 50/30/20 Rule?	It's a budgeting guideline: 50% Needs (Essentials), 30% Wants (Discretionary), and 20% Savings/Debt Repayment.
Q29	How does FinAI track recurring subscriptions?	FinAI automatically detects recurring payments and lists them in the Subscription Tracker , flagging any price increases.
Q30	What is an "Underperforming Budget Alert"?	This alert triggers when the AI predicts you will exceed a category's monthly limit by more than 15% based on your current spending rate.
Q31	Can I split a single transaction into multiple categories?	Yes, select the transaction, click "Split Transaction," and allocate specific dollar amounts to different categories.
Q32	Does FinAI track my credit card rewards?	Yes, the Rewards Tracker aggregates points, miles, and cashback across linked credit cards, estimating their USD equivalent value.

Q#	Question	Answer
Q33	How do I create a savings goal for a house down payment?	Go to the Goals Dashboard , select "House Down Payment," input the target amount and date, and the AI will generate a monthly savings plan.
Q34	What is "Discretionary Spending"?	This refers to spending that is non-essential and can be adjusted, such as dining out, entertainment, and shopping.
Q35	Does FinAI handle receipt scanning?	Yes, the mobile app includes a feature that uses your device's camera to scan and digitize receipts , attaching them to transactions.
Q36	How can I find hidden fees in my accounts?	The Fee Finder feature scans checking, savings, and brokerage statements for unusual charges like ATM, overdraft, or maintenance fees.
Q37	What is a "Roll-over Budget"?	This feature (Premium only) allows any unused funds from one month's budget category to be added to the limit for the next month.
Q38	How is my "Happiness Score" calculated?	The Happiness Score is a metric that evaluates the spending efficiency of your "Wants" budget, maximizing satisfaction relative to cost.
Q39	Can I forecast my retirement date?	Yes, the Retirement Planner tool projects your potential retirement date based on current savings rate, portfolio returns, and desired withdrawal rate.
Q40	How are debts prioritized for payoff?	The AI can use either the Debt Snowball (lowest balance first) or Debt Avalanche (highest interest rate first) method, based on your preference.

Category 3: Data Integrity & Security (Q41-Q60)

Q#	Question	Answer
Q41	Is my data secure with FinAI?	Yes. We use 256-bit AES encryption and institutional-grade security protocols to protect all sensitive information in transit and at rest.
Q42	Does FinAI store my bank login credentials?	No. We use secure, token-based data aggregation services (e.g., Plaid) that provide us with read-only access tokens , not your direct login credentials.
Continued on next page...		

Q#	Question	Answer
Q43	What type of encryption is used?	We use TLS/SSL encryption for data transmission and AES-256 bit encryption for data storage on secured servers.
Q44	How do I unlink a financial account?	Go to Settings > Linked Accounts , select the account, and choose "Disconnect Account." This immediately revokes the read access token.
Q45	Is FinAI compliant with financial regulations?	Yes, we comply with relevant regulations, including PCI DSS standards for handling payment information and consumer data protection laws.
Q46	What is the "Read-Only" access standard?	This standard ensures FinAI can only view transaction and balance data and is physically unable to initiate transfers or trades from your accounts.
Q47	Can I enable biometric login?	Yes, users with compatible devices can enable Face ID or Touch ID login in the mobile app's Security Settings.
Q48	How is user data anonymized?	Data used for AI training and aggregate reporting is fully anonymized, stripped of all personally identifiable information (PII) and pooled with millions of other data points.
Q49	How long is my transaction history stored?	We store a detailed record of your transaction history for the duration of your active subscription to enable accurate long-term analysis.
Q50	What happens if I forget my master password?	Due to our encryption protocols, if you forget your master password, you must use the "Forgot Password" flow to create a new one. Support cannot manually retrieve it.
Q51	Is the FinAI website secure?	Yes, our website uses HTTPS with a valid SSL certificate and is regularly scanned for vulnerabilities.
Q52	Can I control what data FinAI collects?	In Privacy Settings , you can opt out of data sharing for non-essential AI feature improvements, but core tracking data is necessary for the app to function.
Q53	What security measures protect the FinAI servers?	Our servers are protected by Web Application Firewalls (WAFs), intrusion detection systems , and are hosted in SOC 2 Type II compliant facilities.

Q#	Question	Answer
Q54	Does FinAI monitor suspicious activity on my accounts?	Yes, the system includes an Early Warning System (EWS) that flags potential fraudulent activity, such as multiple large withdrawals in a short period.
Q55	How do I report a security vulnerability?	Please email our dedicated security team at security@finai.com through our Bug Bounty program.
Q56	Is FinAI covered by SIPC insurance?	SIPC insurance only covers brokerage accounts. As FinAI is not a broker, it is not covered. Your linked brokerage accounts are covered by their respective institutions.
Q57	What information is required for account verification?	To enable all features, we require a valid phone number and a verified email address for MFA and account recovery.
Q58	Does FinAI use cloud storage?	Yes, all data is stored securely on encrypted cloud storage services from leading providers with maximum uptime and security guarantees.
Q59	How does FinAI handle old transaction data?	Transactions older than 5 years are automatically archived and summarized to maintain performance but remain accessible in the History Report.
Q60	Does FinAI comply with CCPA (California Consumer Privacy Act)?	Yes, we fully comply with CCPA, giving California residents the right to know what data is collected and the right to request deletion .

Category 4: Investment & Financial Planning (Q61-Q80)

Q#	Question	Answer
Q61	How does the AI generate investment advice?	The AI uses Modern Portfolio Theory (MPT) and Monte Carlo Simulations to generate personalized asset allocations based on your risk tolerance and goals.
Q62	What is my personalized "Risk Score"?	Your Risk Score (on a scale of 1 to 10) is determined by a dynamic questionnaire and analysis of your current portfolio volatility.
Q63	What is "Asset Allocation"?	Asset Allocation is the strategic mix of different investment categories (stocks, bonds, real estate, cash) used to balance risk and reward.

Q#	Question	Answer
Q64	Can FinAI recommend a specific ETF or stock?	FinAI primarily recommends low-cost, diversified index funds and ETFs to match the target asset allocation and minimize fees.
Q65	What is "Tax-Loss Harvesting"?	It's the process of selling investments at a loss to offset capital gains realized from profitable sales, lowering your overall tax bill. FinAI identifies opportunities automatically.
Q66	Can I exclude certain stocks or sectors from my portfolio?	Yes, FinAI allows for Socially Responsible Investing (SRI) filters , letting you exclude sectors like tobacco, fossil fuels, or defense.
Q67	What if my financial goals change?	You can edit goals in the Goals Dashboard at any time. The AI will immediately recalculate and suggest a new optimal savings/investment path.
Q68	Does FinAI suggest refinancing my mortgage?	FinAI monitors current interest rates and your financial situation, issuing a "Refinance Alert" when the potential savings meet a predetermined threshold.
Q69	How does FinAI incorporate my spouse's finances?	When using the Household View, the AI treats both incomes, debts, and assets as a single unit for comprehensive planning and goal tracking.
Q70	What is the recommended portfolio rebalancing frequency?	The AI recommends rebalancing your portfolio quarterly or whenever the asset allocation drifts by more than 5% from the target due to market movements.
Q71	How can I model different financial scenarios (e.g., job loss)?	The "What-If" Scenario Tool lets you temporarily adjust variables (like income or spending) to see the impact on your long-term goals.
Q72	Does FinAI factor in inflation?	Yes, all long-term goal projections, such as retirement savings targets, are calculated using a projected 3% average annual inflation rate .
Q73	What are FinAI's recommended bond allocations?	Recommendations prioritize low-cost, short-duration Treasury and Municipal bond ETFs for stability and tax efficiency, based on age and risk tolerance.
Q74	How does the platform define "high-yield savings"?	FinAI identifies high-yield options as accounts offering an interest rate at least 0.5% above the current national average .
Q75	Does FinAI track employee stock options (ESOPs)?	Yes, you can manually enter or link data regarding your stock options , and the AI will integrate them into your net worth and tax strategy.

Q#	Question	Answer
Q76	What is a "Fiduciary Standard" and does FinAI follow it?	A fiduciary is legally bound to act in your best interest. FinAI operates under a fiduciary standard for all its advisory recommendations.
Q77	How does FinAI suggest paying off credit card debt?	The AI focuses on accounts with the highest APR (Annual Percentage Rate) first (Debt Avalanche) to maximize interest savings.
Q78	Can I analyze the performance of my individual stock holdings?	Yes, the Portfolio Deep Dive tool provides detailed performance analysis, key metrics, and risk assessment for individual stocks within your linked accounts.
Q79	What is the average expected return FinAI projects for my portfolio?	The projection is based on a risk-adjusted model (Sharpe Ratio) , typically estimating a 5-7% real annual return for a moderately aggressive portfolio.
Q80	How does FinAI help with insurance needs?	The AI assesses your income, debts, and dependents to recommend appropriate life and disability insurance coverage levels through a partnership with third-party providers.

Category 5: Security, Compliance & Support (Q81-Q100)

Q#	Question	Answer
Q81	Is FinAI FDIC-insured?	FinAI is a technology platform, not a bank. However, all linked cash accounts are held at partner banks that are FDIC-insured up to the legal limit.
Q82	How do I enable Multi-Factor Authentication (MFA)?	MFA can be enabled in the Security Settings using a mobile authenticator app (e.g., Google Authenticator) or SMS codes.
Q83	What is FinAI's protocol for a data breach?	In the highly unlikely event of a breach, we will immediately notify all users via email and in-app alert, secure the vulnerability, and cooperate fully with regulatory bodies.
Q84	Where can I view the FinAI Terms of Service (ToS)?	The full Terms of Service are available at the bottom of the FinAI website and within the Settings > Legal section of the app.

Q#	Question	Answer
Q85	Does FinAI sell my personal data?	Absolutely not. Our revenue comes solely from subscription fees. We do not sell or share personally identifiable information with third parties for marketing purposes.
Q86	How can I file a formal complaint?	You can file a formal complaint by emailing compliance@finai.com . All complaints are logged and addressed by the compliance officer within 7 business days.
Q87	Does FinAI comply with GDPR (General Data Protection Regulation)?	Yes, FinAI adheres to the data protection and privacy standards required by GDPR for all European Union clients.
Q88	How often is the security system audited?	Our security systems undergo a third-party penetration test and audit quarterly to ensure compliance and identify potential weaknesses.
Q89	How do I export my data for external use?	Navigate to Settings > Data Management > Export Data to download a machine-readable JSON or CSV file of your full financial history.
Q90	What is the average response time for customer support chat?	Our live chat support (for Premium users) has an average response time of under 2 minutes during business hours (9 AM - 5 PM EST).
Q91	Can I delete my entire account and all associated data?	Yes, under Settings > Account Deletion , you can request permanent and irreversible deletion of your account and all associated data.
Q92	Are the AI recommendations legally binding advice?	No, the AI provides informative recommendations and analysis . All final investment and financial decisions are the user's responsibility .
Q93	Does FinAI offer fraud monitoring?	We offer anomaly detection . The system alerts you immediately if it detects unusual spending patterns or large, unexpected transactions.
Q94	Where is FinAI headquartered?	FinAI is headquartered in New York, New York, USA .
Q95	How does FinAI handle system outages?	We maintain a failover server infrastructure with geographically dispersed data centers to ensure over 99.9% uptime and immediate recovery from any localized outage.
Q96	Does FinAI offer educational resources?	Yes, the "FinAI Learning Hub" provides articles, videos, and glossary terms explaining common financial concepts and investment principles.
Continued on next page...		

Q#	Question	Answer
Q97	Is the data aggregation service reliable?	We use a top-tier financial data aggregator with an average connection success rate exceeding 98.5% .
Q98	Can I customize the categories used for spending?	Yes, you can create custom spending categories and subcategories beyond the default list, allowing for highly personalized budgeting.
Q99	Does FinAI track credit scores?	We provide a monthly soft pull of your credit score (not affecting your rating) via a partnership with a major credit bureau.
Q100	What is the future roadmap for FinAI?	The future roadmap includes integrating Small Business Financial Management and providing a direct interface for filing basic tax documentation within the platform.
